

QGraphicsScene

```
classDiagram
    class QGraphicsScene
    class mainPage
    mainPage --|> QGraphicsScene
```

A UML class diagram showing a vertical relationship between two classes. The top class is 'QGraphicsScene', represented by a white rectangle with a thin grey border. The bottom class is 'mainPage', represented by a grey rectangle with a thick black border. A solid blue arrow points from the bottom of 'mainPage' to the bottom of 'QGraphicsScene', indicating that 'mainPage' inherits from 'QGraphicsScene'.
