

QGraphicsView

```
graph BT; AppMainView --> QGraphicsView;
```

The diagram illustrates an inheritance relationship between two Qt classes. At the bottom is a box labeled 'AppMainView' with a black border and a light gray fill. A solid blue arrow points vertically upwards from the top center of the 'AppMainView' box to the bottom center of the 'QGraphicsView' box. The 'QGraphicsView' box is positioned above it, has a thin gray border, and a white fill. This visualizes that 'AppMainView' inherits from 'QGraphicsView'.
